

COMMUNITY PEDIATRIC ASTHMA SERVICE

Policy/Standards for Sharing Our Asthma Resources for Education

All of the resources that we have developed include the iCAN logo as shown in the top right of this document.

All iCAN branded resources posted to our website (locked PDFs) www.calgaryhealthregion.ca/ican may be printed/reprinted for personal or not-for-profit education without permission, but not for any commercial purpose.

We recommend printing/re-printing iCAN resources from our PDFs since the quality of these documents is significantly reduced with photocopying.

For any other use of our resources, please contact:
