

UNIVERSITY OF
CALGARY

Do you have **CHRONIC PAIN** as a result, of having **SHINGLES**?

Have you in the past or are you now taking prescribed medications for your pain? Are you interested in **participating in a research study**?

If you have answered **yes to all** of the questions, you may qualify for a research study being conducted at the Chronic Pain Centre.

For more information please contact Study coordinators
Patricia and Corinne at 403-943-9917
