## **TRANS FAT**

### **REDUCTION STRATEGY UPDATE**

Dear Owners/Operators:

Phase 1 of the Calgary Health Region's Trans Fat Reduction Initiative was implemented as of January 1, 2008 with a four-month education/transition period. This period allowed the Region to help food permit holders understand and comply with the policy. During inspections, violations were noted and corrective action was recommended.

As of May 1, 2008, the enforcement of this policy begins. In order to maintain your food permit, you must be in compliance with the Calgary Health Region's trans fat policy. Please take a moment to read the attached checklist and confirm your compliance with the Phase 1 Trans Fat Reduction Initiative. If you have any questions or concerns, please contact the Calgary Health Region's Trans Fat Reduction Initiative at 943-1229 or [no.transfats@calgaryhealthregion.ca](mailto:no.transfats@calgaryhealthregion.ca).

Sincerely,

Robert Bradbury, MBA, CPHI (C)  
Director, Health Protection  
Calgary Health Region
